To Whom It May Concern,

I have known Gabriel Alvarado for several years. I have developed a close relationship with the family and I have spent many hours enjoying Gabriel's company.

I know Gabriel to be a young man to be of strong moral character who treats others with respect and courtesy. His ability to get along with others and effectively communicate to establish rapport with people has resulted in a group of royal friends.

Gabriel is willing to help others and supports those who need help with tasks. He currently plays for a local baseball team where his dedication and hard work is recognized. He is a team player and his leadership skills motivates his team members to give their best.

Gabriel has overcome many family and personal obstacles that have given him the determination to stay dedicated to his goals of playing at a college level and further his education. He is a hard worker and his motivation and discipline contribute to Gabriel's success.

I am confident that Gabriel will be a valuable asset to any organization and I recommend him without reservation for any position or undertaking that he chooses to pursue.

Please feel free to contact me at 909.856.9877 should you like to discuss Gabriel's experience further. I'd be happy to expand on my recommendation.

Sincerely,

Patricia Amaya-Thetford
